

KIMBERLY HOPE

Kimberly Hope is an accomplished and professional violinist, music teacher and composer. Because her expressive and dynamic playing touches the hearts of countless audiences, she has been invited to perform at events all over Hawaii, such as fashion shows, benefits, and scholarship fundraisers.

In addition to these larger events, she enjoys entertaining at weddings, art walks, farmer's markets, shopping malls, restaurants, hospitals, and nursing homes.

At the age of ten, she began playing the violin in St. Louis, Missouri. Upon moving to Kauai in 2008, she studied violin under Helen Sina and played in the Kauai Community College Orchestra. After graduating from Island School in 2013, Kimberly attended The College of Wooster in Ohio. There, she served as concertmaster of the Wooster Symphony Orchestra and received her Bachelor of Music Degree in Violin Performance. Considering Kauai as her true home, Kim moved back to the island after graduating in 2017.

Since then, she has created her own music business, "Kimberly Hope Music LLC," in an effort to help music thrive on the island of Kauai. She enjoys teaching private music lessons to inspire young students to learn musical instruments. In addition to her private teaching practice, she works at Bandwagon Music Center and is about to start a part-time position as a music teacher at Eleele School.

Kimberly's music videos and collaborations with musicians all over the world have gained considerable support on social media. She believes that music is a universal language that can help heal and bring people together, so she is presently working on a debut album of original works. Her dream is to be a traveling musician and make as many people happy through music as possible.
